Fine print reminders:

If this is the first time you've gone to a Boy Scout summer camp, you are limited to one week at MaKaJaWan. The Troop expects summer campers to be active members who have attended at least one regular season Troop 156 campout to qualify for MaKaJaWan.

Each camper must provide three copies of their Class 2 Medical Form (including a physical within the last three years of the camp dates) along with copies of your insurance card (front & back) for each camper. These are required no later than the final payment date in May. Youth and adult medical forms can be found on the Troop website at www.bsa156.org or at www.neic.org.

Trained adult leaders will attend camp each week and must submit a Class 3 Medical Form. Troop policy limits the number of adults in camp and final selection of those attending is made by the Scoutmaster. For more information go to www.bsa156.org and click on forms.

The Troop must provide an adult to ride the Council bus or we cannot use the bus service. If you are an attending adult leader, please consider volunteering to ride the bus up to or back from Camp MaKaJaWan. We will help coordinate transportation for the other direction of the trip.

More information about camp including merit badges to be offered can be found at www.neic.org. Follow the link to Camp MaKaJaWan.
